Meanwhile in Amagansett, the cause for celebration was good vibrations rather than good-hearted earnestness. The Kin—made up of Australian brothers **Thorald** and **Isaac Koren**—rocked it at the Pret-a-Surf Pop Up preview party at Banzai Burger. Designers **Karen Mulligan** and **Jill Demling** (*Vogue's* Entertainment Editor) hosted fashionable friends like **Grace Coddington**, **Didier Malige**, Kingswood's **Lincoln Pilcher**, and *Ruschmeyer's* **Rob McKinley** for a night of fun, sushi, sliders, and vodka cocktails.
